

**73-18b-1 Water safety rules and regulations -- Adoption.**

- (1) The Board of Parks and Recreation may make rules necessary to promote safety in swimming, scuba diving, and related activities on any waters where public boating is permitted.
- (2) The Board of Parks and Recreation may consider recommendations of and cooperate with other state agencies and the owners or operators of those waters.

Amended by Chapter 136, 2007 General Session
